

NBDSF-SPORTSFESTIVAL 2010

BOWLING

Rules

Bowling competition will be played in two different forms:

- individual 3 x 6 games for both of men and women
- double (Teams of two) 6 games for men, women or mixed pairs

Both forms will be played in the European style without handicap.

The individual event will be played as 3 x 6 games so that the first 6 games will be played with short oiling, the second 6 games with medium oiling and the third 6 games with long oiling. It will be used WTBA's announced oilings – Beijing 35', Athens 40' and London 44'.

The combined result from three separate events will decide order in individual finals both for men and women.

The finals in both individual events will be played so that the male players will be chosen into two groups: even and uneven. The three last ones from both groups will play together one game in American style. The winners will continue to the next match according to the chart below.

Women will play their own finals in one group in the same way.

1. round	players 16,14 and 12	players 15,13 and 11	free round
2. round	players winner, 10 and 8	players winner, 9 and 7	players 7,6 and 5
3. round	players winner, 6 and 4	players winner, 5 and 3	players winner, 4 and 3
4. round	players winner and 2	players winner and 1	players winner and 2
5. round	players winner vs. winner		players winner and 1

The last round will be played in the length of two games and the joint result will decide the winner.

Double will be played directly as finals in connection with the middle round of individual event.

The both players' total result will decide the placement. The pair has to bowl at the same time and on the same track.

The pairs have to be registered with the contest organisers at least 15 minutes before the contest.

The pairs can be either males, females or mixed pairs.

The event will be played without handicap.
