Åland

The self-governing province of the Åland Islands lies off the southwest coast of Finland.

Åland is an autonomous, demilitarised, Swedish-speaking region of Finland.

Åland consists of more than 6,700 islands, but the current population of over 30,000 live on only 60 islands. Over 40 per cent of the inhabitants live in the only town, Mariehamn.

Easy to get to Åland, Finland

The Åland Islands are situated in the middle of the Baltic Sea, midway between Stockholm and Helsinki. There are daily connections to Åland from Finland and Sweden and you can choose to travel by ferry or by plane.

It's important to make your reservations and book the journey to Åland well in advance – especially in the summer and if you are travelling by car or other motor vehicle on a ferry.

The fastest way of getting to Åland is to take a flight from Helsinki-Vantaa, Turku in Finland or Arlanda in Sweden.

Ålands Golfklubb

The golf paradise of the Baltic Sea

Ålands Golfklubb is located in the middle of Åland, in the middle of the Baltic Sea. The club has two 18-hole courses, the Castle Course (Slottsbanan) and the King's Course (Kungsbanan), as well as Prinsessan (The Princess), a short-hole course. The courses are located in a magnificent environment. King Gustav Vasa had his hunting grounds here and from the Castle Course you have a wonderful view of the castle with the sea constantly present on all holes. The Slottsbanan also hosted the Ladies European Tour 2022.

The King's Course offers more forest and is sometimes challenging in its variety of narrower and more open holes. Due to its nature, the King's Course is relatively hilly. If you learn to read the course, you will definitely find it to be one of the more fun and challenging courses you've played!

A warm welcome to Ålands Golfklubb!

Golf course - Kungsbanan

We do have a really high class restaurant here at Ålands Golfklubb, where it is possible to buy everything from snacks, sandwiches & beverages to hot meals. The opening hours are from 8 in the morning until 22 in the evening.

*"To me, it has felt like playing on my homeclub.
Everyone has been so inviting and friendly".*

Lisa Pettersson, player at Ladies European Tour,
2nd place in competition at Ålands Golfklubb last year.

*"This course is really nice. It depends on the wind how challenging the course
will be. The greens are awesome and really quick".*

Tiia Koivisto, Finnish LET-player about Slottsbanan
(which in this case is not the course that will be played).

*"I always enjoy coming to play in Finland, this week we are in Åland,
somewhere I didn't even know existed but it's incredible.
A beautiful island and a great golf course for us to play".*

Heather MacRae, player at Ladies European Tour who
took part in the competition on Åland 2022.
